Lyrics to The Ace In The Hole

This town is full of guys, Who think they're awful wise
just because they know a thing or two
you'll meet them night and day, strolling up and down Broadway
Telling of the wonders they can do
There's con-men and there's boosters, there's card-men and
crap-shooters
they congregate around the metropole
they wear flashy ties and collars but the way they get their dollars
they all have got an ace stuck in the hole

some of them send to the old folks for coin
that is their ace in the hole
others have friends in the old tenderloin
that is their old ace in the hole
they tell you of trips that they're going to take
from Florida to the North Pole
but their name would be "mud" like a "punk" playing "stud"
if they lost that old ace in the hole

After you've gone

Detailed description: This musical score is for the piece 'Dinah' by Hans Reidel. It is written for a single melodic line in treble clef, with a key signature of two flats (B-flat and E-flat) and a common time signature (C). The score consists of nine staves of music. The first staff begins at measure 16 and contains a whole rest followed by a series of eighth and quarter notes. The second staff starts at measure 21 and features a triplet of eighth notes, followed by a whole rest, and then a group of seven measures indicated by a bracket and the number 7. The third staff begins at measure 32 and contains a complex melodic line with many beamed eighth and sixteenth notes. The fourth staff starts at measure 37 and continues the melodic development. The fifth staff begins at measure 42 and features a series of eighth notes. The sixth staff starts at measure 47 and continues the melodic line. The seventh staff begins at measure 52 and contains a series of eighth notes. The eighth staff starts at measure 56 and continues the melodic line. The ninth staff begins at measure 61 and contains a whole note followed by a whole rest. The score is arranged by Hans Reidel.

The Glory Of Love

You've got to give a little, take a little.
And let your poor heart break a little.
That's the story of, That's the glory of love.

You've got to laugh a little, cry a little.
Until the clouds roll by a little.
That's the story of, That's the glory of love.

As long, as there's the two of us.
We've got the world and all it's charms.
And when the world is through with us.
We've got each other's arms

You've got to win a little, lose a little.
And always have to blues a little.
That's the story of, That's the glory of love.

WEE MIDNIGHT HOURS

Words and music by Blind Willie McTell and Curley Weaver.

It was in the wee wee midnight hours, long
about the break of day, of day, of day
It was in the wee midnight hours, long about
the break of day, of day, of day
Say it's when the blues creep down on you
and carry your mind away, away, away

Have your mind been a-rambling back to the
days of long ago, ago, ago
Have your mind been a-rambling back in the
days of long ago, ago, ago
Back to the one that you love but you don't
see them anymore, no more, no more

Ah blues why do you worry, why do you stay
with me so long, so long, so long
Oh blues why do you worry, why do you stay
with me so long, so long, so long
You came to me yesterday and stay with me
all night long, so long, so long

I went down to the graveyard fell down on
my knees, my bended knees
I went down to the graveyard fell down on
my knees, my knees, my knees
I asked the Good Lord above give me back
my rider please, lord have mercy on me

Dashing thro' the snow,
In a one horse open sleigh,
O'er the hills we go,
Laughing all the way;
Bells on bob tail ring,
Making spirits bright,
Oh what sport to ride and sing
A sleighing song to night.
|: Jingle bells, Jingle bells,
Jingle all the way;
Oh! what joy it is to ride
In a one horse open sleigh. :|

A day or two ago
I tho't I'd take a ride
And soon Miss Fannie Bright
Was seated by my side,
The horse was lean and lank
Misfortune seem'd his lot
He got into a drifted bank
And we - we got up sot.
|: Jingle bells, Jingle bells,
Jingle all the way;
Oh! what joy it is to ride
In a one horse open sleigh. :|

Rudolph the Red-Nosed Reindeer

Dean Martin

Rudolph the red-nosed reindeer
Had a very shiny nose
And if you ever saw it
You would even say it glows

All of the other reindeer
Used to laugh and call him names
They never let poor Rudy
Join in any reindeer games

Then one foggy Christmas Eve
Santa came to say
Rudolph with your nose so bright
Won't you guide my sleigh tonight

Then how the reindeer loved him
As they shouted out with glee
Rudy the red-nosed reindeer
You'll go down in history
